

## Glass: Recycling yard

Raise your glass to sustainability! Glass jars and bottles belong at the recycling yard, not in your bins.

 YES, PLEASE

Should be placed at the recycling yard.

 NO, THANKS

Glass jars and glass bottles do not put in bins!

TIPS: If you're unsure about the location of the recycling yard, feel free to ask your host for guidance.

RECYCLING YARD

# From bin to better world

Your complete recycling blueprint

## Blue bin: Paper/Cardboard

Keep it clean, keep it green! Flatten and break down paper/cardboard items for efficient recycling.

 YES PLEASE

Computer paper, ledger paper  
flyers, note cards, newspaper  
magazines, catalogs file folders  
paper bags

All envelopes including window  
envelopes, cardboard boxes  
(shoe, detergent, toilet paper  
rolls, dry food boxes)

 NO THANKS

Pizza and takeaway boxes, tetra  
- pak cartons, coffe to go cups

TIPS: Make sure paper/cardboard is clean, dry, broken down and flattened!

# Yellow bin: Plastic, metal and tetra-pak cartons

Embrace the yellow for a brighter future! Remember to clean and squash your tetra-pak cartons.

TIPS: Check items are clean and squash tetra-pak cartons!

## YES, PLEASE

- Plastic bottles, plastic bottles caps
- plastic bags
- soda bottles, juice bottles with caps
- cooking oil bottles
- mouthwash bottles, shampoo and lotion bottles
- detergent containers and dishwashing liquid bottles
- tubs for margarine, yogurt and milk
- soda and juice cans
- vegetables cans
- pet food cans
- clean aluminum foil
- milk and beverage tetra-pak cartons

## NO, THANKS

- Plastic toys
- aerosol cans
- glass bottles and jars

# Composter: Organic waste

Let's turn waste into wonderful compost! Recycle your organic materials and nourish the earth.

## YES, PLEASE

- Grass cutting, flowers and plants, leaves
- peeled vegetables, egg shells
- tea and coffee grounds

## NO, THANKS

- Cooked food, raw or cooked meat, fish and bones

TIPS: In areas where composting isn't accessible, kindly utilize the black bin for proper disposal of organic waste.

# Black Bin: General waste

For everything else, there's the black bin! Dispose of non-recyclable household waste responsibly.

## YES, PLEASE

All household waste (rubbish) that cannot be recycled.
